## Happy NEW YEAR!

On behalf of the staff of Ballroom Baby, I wish you a happy and prosperous 2023. May your year be filled only with things that bring you joy. If that's being with good people, good music and part of our community then we hope to see you at a dance class soon!

## New Dance Classes

Our great classes from 2022 continue this year. Continue progressing in your class, or maybe now is the time to consider moving into a higher level.

See our full list [here](#). Why not try:

- new Performance Class on a Tuesday night - book ASAP!
- Zumba classes now on Monday and Wednesday
- new KIds and Teen classes on Tuesday night
- Experienced Dancers (4+ years dancing) on Sundays

*Note: our Torquay advancement class (Monday 7:30pm) is trialing two dances in one night - one easier dance and one harder dance - to appeal to a wider range of dancers*

## Building Our Community

Our best asset is our people. Joining our dance classes means joining a friendly and fun community. Now you can connect with them outside of class at our secret Facebook page. Join [here](#) and stay up to date with social events, second hand goods and partner search pages.

We have also tried to capture the attitudes that make our community so great. We now have a code of conduct for all our members - view [here](#). Our staff are committed to ensuring that our studio remains a positive and supportive community.

## Step Up in 2023! Private Lessons, Medals, Comps and more.

Make 2023 the year that you do more with dancing. Ballroom Baby is the only provider of medals and competition tuition in Geelong.

Private Lessons are provided 7 days a week with a variety of instructors, private lessons can be booked as once off or ongoing. Learn something different, catch up or get ahead. More info and bookings [here](#).

Medals are a great accomplishment and recognition of your skills in dancing. Medals can be completed in classes for beginner levels and private lessons for higher levels. Our medal day is Sunday 10th September and it will be the biggest one ever. Join in the fun. More info [here](#).

***We are building our competition team for 2023. The first competition is in April and we want to take our largest group yet. If you're interested, let us know!***
