

## Exam Series

Need that extra challenge?? Take the next step in your Dancing by completing one of examinations. All students pass the exam with varying scores and great written feedback from the Australian Dancing Society (ADS)

Through either classes or private lessons you will learn and perfect the prescribed dances (see the table on the next page). Every 6 months we run an exam session where you will dance those routines with your teacher while an adjudicator from the ADS watches. They will then give you written feedback which is a great way to improve your dancing skills as well as receiving an award which is great recognition for all your hard work. Exams are run at our studio or a venue nearby and end with a glamorous presentation evening (June and December). You will start at proficiency level and complete all three awards (award, classic and elite) and then progress to crystal. We generally recommend 6 months for each award.

Costs include the lessons, an exam fee and of course tickets for your friends and family to come watch We also require that you are suitably dressed for your exam (similar to what you would wear to a wedding) and are wearing proper dance shoes.
