

Your First Lesson @

What to wear

Wear something which is comfortable and you can move freely in. If you have dance shoes, that's great! But if not, flat sole shoes or a low heel at most should be worn - and if you're joining us for your wedding lessons - shoes you plan on wearing to the wedding. **Tip:** dancers usually wear black or white to conceal sweat marks.

Our location

All classes and lessons are at Level 1, 169 Ryrie Street, between the TAB and Warhammer. Parking is a little tricky so be sure to arrive early. See parking and location map prepared by the Council - [Parking options in Central Geelong](#). Why not try public transport? **Tip:** the Haymarket Car Park on Myers Street is generally available and only 1 block from our studio.

Payment

You can pay by either cash (try to have the right amount) or EFTPOS. See your instructor to make payment. All payments must be finalised before you leave the studio. **Tip:** be proactive and ask your instructor to make payment at the start of class.
