

Social Classes

No matter how many left feet you have, we have taught every type of person to dance and our end goal is simple: to have fun every class! Our social classes are for beginners to try the different dances we teach and have a laugh along the way.

Whether you join a group class or book a private lesson, our instructors will take things at your pace. You will learn the following dances:

Samba Rumba Cha Cha Jive Salsa
Waltz Tango Foxtrot Quickstep

You don't need to bring a partner but can if you can convince one to join! We also cater for a variety of experience levels and ages (ask about separate kids classes!). We like to keep group classes to a maximum of 10 people so you can get the most out of your instructor.

Once you get the hang of the steps you can join us at one of our fun dance parties.

We also run several non dance events through the year for our dance family such as after class drinks and dinners.
